

Who we are

“**Fun Village**” is the extraordinary multi-course summer sports and recreation program organized by Sporting Club Ostiense for children ages 4 to 14 (note: children under 4 can sign up for a trial session). Throughout the summer, the program will capture the same carefree spirit found at a **vacation village**.

The Venue

The **Sporting Club Ostiense** is a splendid multi-sports centre located opposite the Marconi Metro station, equipped with pitches for **FOOTBALL, padel, mini-basketball, mini-tennis, mini-volleyball, dodgeball and pickleball**, as well as **indoor halls** (which can be used in case of rain), **a stage and a swimming pool**. The **beating heart** of the campus is ‘**Garden Land**’, a **15,000 m² green and shaded area exclusive to the campus, a real Playground** (complete with fun **water inflatables**) where children will gather during the hottest parts of the day.

Dates and Times

Activities will take place **Monday through Friday from 7:30 a.m. to 5:00 p.m.** (with the option for parents to pick up their children within 6:00 p.m. for a small additional fee) **from June 9 through September 11** (excluding the week of August 10–14)

Lunch and Snack

Lunch will feature a different menu every day, **consisting of a first course, a main course, a side dish, fruit or dessert, water, and bread**, selected in accordance with the principles of the Mediterranean diet and taking into account any dietary restrictions. **An afternoon snack** will also be included.

The Program

The Program is structured to offer **multiple options** during each time slot, including a variety of games and artistic activities (e.g., **group dances, ice cream games**) as well as **many sports** (e.g., **tennis, football, basketball, volleyball**), and featuring **the refreshing fun of our beautiful swimming pool and/or water inflatables every day**. Every two weeks, the children **will enter a different themed world**, complete with themed images, games, and shows.
