

Registration and Membership Info

Whilst all members of the UN and associated communities are invited to browse the site, becoming a Staff Coop Member brings a whole host of extra benefits.

There are four membership schemes, depending on your physical location and whether you want to include family members:

1. Full Membership (for members based at FAO or WFP)

€30.00 for the calendar year (Jan to Dec) plus €25.00 "one time", fully refundable share** of the co-operative (this is a legal requirement and brings voting rights)

2. Full Family Membership (for members based at FAO or WFP and their immediate family)

€35.00 for the calendar year (Jan to Dec) plus €25.00 "one time", fully refundable share** of the co-operative (this is a legal requirement and brings voting rights)

3. Associate Membership (for all non-FAO/WFP members)

€30.00 for the calendar year (Jan to Dec)

4. Associate Family Membership (for all non-FAO/WFP members and their immediate family)

€35.00 for the calendar year (Jan to Dec)

By signing up for membership, the member is aware that annual fee runs from January through to December in any one year.

Please note that the FAO Staff Coop Board of Directors, in accordance with Art. 2354 and following of the C.C. and Art. 15, Point 15.1, of the bylaws, has proceeded in excluding members who are no longer able to contribute to the achievement of the corporate purposes. That is, as required by the relevant implementing regulation for members who fail to renew their membership for ten consecutive years: therefore, members who do not renew their membership in ten years are considered excluded. Excluded members can request refund of their Coop share within a maximum period of 180 days from their exclusion.
