DOG TRAINING

Our courses work towards building a balanced dog-human relationship by giving the human the right tools to welcome the dog into the household as well as the larger social context.

BEHAVIOURAL CORRECTION

Can't understand his/her behaviour?
Excessive barking?
Can't stay home alone?
Shows signs of aggression?
Fears sounds?
One of our trainers who is specialised in behavioural issues can help!

SOCIALIZATION

In our centre your pup will be free to run, play with other dogs and roam around-all under the supervision of our Staff!

COMMUNICATION CLASSES

These classes are for dogs that need a little help with dog-dog communication and for owners who are interested in learning about their dog's communication style and emotional intelligence.

DOG SPORTS

A wide selection of courses to strengthen your relationship with your pup and have fun together:

- **Agility Dog:** obstacle course
- **Scent & Nose Detection:** search of multiple substances
- **Rally Obedience:** obedience exercise
- **Truffle Detection:** Truffle search
- **Mantrailing:** search and rescue
