Tour in italian language

A one-of-a-kind event, an enthralling cultural walk that will let you discover Rome and its ghosts, with their legends shrouded in mystery!

Our tour guide will accompany visitors from all over the world into the heart of the Eternal City, discovering that forgotten and perhaps never really known Rome, leaving the audience enraptured from the beginning to the end of the walk! And this time the participants will be even more involved thanks to the game formula: our guide or actors will make mistakes that the spectators will have to note down. At the end of the tour, the fastest and best listener will win a prize up for grabs!

A formidable mix of street theater with our actors from the "Servants of Art" theater company, plus lots of history, culture and healthy fun!
