March 22 to April 29, 2023 **Kurios – Cirque du Soleil** *Under the Grand Chapiteau*

Viale Tor di Quinto – Roma

"What if it were possible to alter reality with the power of our imagination?"

KURIOS -"cabinet of curiosities" by **Cirque du Soleil** leads the viewer into a fascinating and mysterious realm that disorients the senses and perceptions, to the point of wondering, "Is this real or just a figment of my imagination?" The doors to the "cabinet" of curiosities of an ambitious inventor, who defies the laws of time and space to reinvent the world around him, are accessible: unique and quirky characters guide him to a wonderful place, where everything ignites his imagination and his curiosities come to life one by one before his eyes. An upside-down world of poetry and humor where the visible becomes invisible and perspectives are transformed. **KURIOS-"cabinet of curiosities**" is a brilliant mix of unusual curiosities and breathtaking acrobatic feats, a true kolossal in pure **Cirque du Soleil** style.

KURIOS will prove that anything is possible through the power of imagination.
