

GERARDO DI LELLA – POP ORCHESTRA featuring Leroy Gomez

Single date 5 April 8.30 pm

Exactly 45 years after 1978, the climax year of dance music, with no less than 22 musicians on stage (6 voices, 9 horns and double rhythm section) Gerardo Di Lella re-proposes that original thrust of the so-called "Philly Sound" TSOP (The Sound Of Philadelphia). Less than a decade between '72 and '79 witnessed the birth, development and definition of a magical musical language that still endures today and is universally identified as the 'Dance Era'. The concert will feature **Leroy Gomez of Santa Esmeralda**, a cornerstone of this still-loved musical style. The **Gerardo Di Lella Pop Orchestra**, directed by **Maestro Gerardo Di Lella**, arranger, composer and conductor, is made up of musicians of great technical and artistic value. Over the years it has become a point of reference in the Italian and international music scene and is progressively revolutionising the way of making 'live' music. The concert includes brief historical-musical hints and some interpretations by Leroy Gomez himself of famous 70s Dance tracks. An intimate and personal story becomes an energetic and collective cry.
