

*Working to secure
your future...*

Sustainable solutions designed for United Nations Staff, Consultants and retirees to protect, grow and pass on savings.

We have been helping United Nations Staff, Consultants and Retirees to plan their financial journey from working across continents through to retirement and succession since 2009.

Now, more than ever, where and how you manage your wealth will have an impact not only on your own financial wellbeing but for your children and grandchildren as well as those generations yet to come.

Appointments are available at WFP Service Centre (formerly commissary) on Fridays from 14.30 to 16.30.

Please contact fao-staff-coop@fao.org / 0657053142 or clientrelations@unityfinancialpartners to arrange an appointment.

*Please note that the FAO Staff Coop is in no way responsible for services provided by third parties who respond directly to clients.
