

Dear All,

Spring brings with it the return of ROMA CURA ROMA! On **Saturday, May 10**, the appointment with the city's collective care day is renewed, now in its fourth edition.

We are pleased to invite you to participate in this significant initiative, organized by the Municipality of Rome, which aims to promote inclusion, welcome and attention to the commons, with the support of citizens, associations and partners committed together to take care of streets, squares and parks, living and sharing the city's spaces.

Among the various appointments scheduled for this initiative, we have grouped the events organized near the FAO premises (as per here below).
