CUSTOMERS*

OUR SERVICES

We offer a **completely free service**. You will be supported by an expert in all the paperwork.

MISSION

We accompany the user in choosing the best offer, electricity gas and internet according to your needs.

We facilitate the management of home contracts, saving customers time and money.

- **Bills too high?** Compare offers and change supplier.
- **Buying or renting a house?** We support you with the transfer, takeover, and connection of electricity and gas.
- **Slow connection or new installation?** Choose from the best internet operators.

**Kindly note that FAO has no relationship with the service provider and does not in any manner endorse the provider, which is a matter lying entirely within the responsibility of the Coop as an independent legal entity. In addition, FAO Staff Coop is in no way responsible for services provided by third parties who respond directly to clients.
